The health, safety and well-being of our community is our #1 priority. We use a leading health, sanitation and cleaning company that will be implementing best practices in health and safety procedures throughout the Edgewood property. They will be overseeing the sanitization of the entire club while also guiding and assisting in implementing best practices in the day-to-day programming and activities of the club to ensure the highest level of safety for our members and staff. We assure you that there will be no greater priority for us than ensuring the safety and health for everyone.
