

## Golf Outing at Edgewood Country Club

### Golf Outing Event Services & Options

**Guest Greeting Service:** As your guests arrive on property, they will be greeted in the front of the clubhouse by uniformed Edgewood team members. The staff will request the golfer's name and will advise them of their starting hole. They will then remove the golfer's clubs from their car and place an Edgewood Bag Tag on their golf bag with their name and starting hole. The golfers will be directed to their respective locker rooms where they will be provided guest lockers for the day and can put on their shoes. A welcoming golf cart with their names printed on the cart sign and a customized score card with the names of the golfers in their four-some will be waiting in the staging area. Edgewood uses the best tournament program on the market and is happy to customize the scorecard or cart sign with your organization's logo or the logo of a sponsor.

### **Tournament Format Options:**

- *Individual Event:* Each player plays their own ball tee to green.
- *Team Scramble:* Each player hits a tee shot. The best ball location is determined and each player then hits their next shot from that spot. This process is continued until the ball is holed out. Each group will have a final score.
- *Shamble:* Each player hits a tee shot. The best ball location is determined and each player plays their own ball from that spot. Each player will have their own score.
- *Other:* Best Ball of 2-Man teams or Best Ball of the Foursome, etc.

### **Handicap Scoring Options:**

- USGA Handicap
- Callaway Handicap System: Calculated by the golf staff based on a predetermined scoring chart oriented around the players' final score.

### **Starting Time:**

- *Shotgun:* Each group starts at the same time on different holes.
- *Tee Times:* For groups under 40 people we are happy to assign specific tee times for the participants to begin.

**Sponsor Signs:** The Golf Staff would be happy to place up to 36 sponsor signs around the property and on tee boxes. Additional signs require extra staff to complete this project in a timely manner.

**Practice Area:** We are happy to welcome your players to utilize our practice area, which includes a driving range with unlimited golf balls and a putting green. The driving range is limited to "irons only" or not further than 200 yards.

Caddies are included with your package. We request at least two (2) weeks' notice to have the appropriate number of caddies available. While the Caddy Fee is included in your package, gratuities for exceptional service are appreciated. Caddy payment is dependent on the number of caddies requested, which is based on the number of groups in your final count to be provided 1 week prior to the outing.
